

### ANNOUNCEMENT

In a bid to mitigate against the spread of COVID-19 and keeping in line with the Rwanda's Ministry of Health's directive to suspend large gatherings, the hospital management takes this opportunity to inform the general public that all non-essential visits to the hospital are highly discouraged due to the Coronavirus outbreak:

The following measures have been put in place;

- Only the Next of kin is allowed to visit in-patients (hospitalized patients).
- People who are seeking information/scheduling appointments are advised to avoid coming to the hospital but use all hospital's communication channels including (Landlines, email addresses and the hospital's social media platforms).
- **Phone numbers:** 3939, 3938, 3937, +250 783 825 851, +250 788 309 003
- **Email:** [info@kfhkigali.com](mailto:info@kfhkigali.com), [appointment@kfhkigali.com](mailto:appointment@kfhkigali.com)
- **Twitter:** @kfaissalhospital . **Facebook:** King Faisal Hospital Rwanda.

- All visitors will be screened along with travel/contact history at the security check-point of the new entrance of the hospital effective 17<sup>th</sup> March 2020.

We encourage the general public to adhere to best practices on prevention, follow World Health Organization (WHO) and Rwanda Biomedical Centre's protocols.

**NB: Hospital operations have not been disrupted by COVID-19.**
